JOINT DECLARATION ACCOMPANYING PATENT APPLICATION

As the below named inventors, each of us hereby declares that:

My residence, post office address and citizenship are as stated below next to my name.

Each of us believes we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled above.

Each of us hereby states that we have reviewed and understand the contents of the above identified specification, including the claims and drawings.

Each of us acknowledges the duty to disclose information that is material to the examination of this patent application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

Each of us hereby declares that we do not know and do not believe that the invention was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before our invention thereof, or patented or described in any printed publication more than one year before the filing date of this application, or in public use or on sale in the United States of America more than one year before the date of this patent application, that said invention has not been patented or made the subject of any inventor's certificate issued before the filing date of this patent application in any country foreign to the United States of America on any application filed by each of us or our legal representatives or assigns more than twelve months prior to the filing date of this patent application in the United States of America, and has not been abandoned.

Each of us hereby claims the benefit under Title 35, United States Code, 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:
